ReNATECH - FP7 – Long night of researchers

Duration: 1. 5. 2013 - 31. 10. 2013
Financed by: EU - Marie-Curie Action
Implemented by: Institute for information studies

Faculty of Information Studies participates in the pan-European project "Long Night of Researchers", which is devoted to the promotion of science and researchers' careers. In Slovenia, the project is executed at three locations: in Ljubljana (Jozef Stefan Institute), in Piran and Novo mesto at the Faculty of Information Studies. The project will be implemented under the 7th Framework Programme of the EU, initiative "Marie Curie Actions". For more information on http://www.zaznanost.si/.

This year, "Long Night of Researchers" will be held on 26 September 2014.
